Program 9:30 a.m. — 4:00 p.m.

Registration is FREE. Lunch and snacks are provided thanks to our generous sponsors!

Morning Session: General Updates

- Disease Updates (PRRS, Influenza, PED, Circovirus, Rotavirus, etc.)
- COVID Current Pork Market Impacts
- Current Research
- Canadian Pork Excellence (CPE)

Afternoon Session: African Swine Fever (ASF) Panel

- National Update – National Farm Animal Health and Welfare Council (NFAHWC)
- Ontario Swine Incident Command Centre (OSICC) – Swine Health Ontario
- On-Farm Emergency Preparedness Planning – Ontario Pork and OMAFRA
- Zoning vs. Compartmentalization
- Wild Pigs – OMAFRA
- Permitting & Border Control – CFIA

Please RSVP to Jessica Fox (jessica.fox@swinehealthontario.ca or 519-767-4600 ext. 1401) with your name, organization, email, phone number and attendance choice (in-person or virtual) by November 30.

If you are registering multiple attendees, please ensure information is submitted for each person. Virtual attendees will be emailed a link within 24 hours of the event.

***All in-person attendees must be double vaccinated due to venue regulations. Please bring your proof of vaccination.**

In-person capacities may be limited; if you register in person, please do your best to be there. If you cannot make it, please notify Jessica ASAP.
